

**AMENDMENTS TO THE SPECIFICATION:**

Please add the following new paragraphs after paragraph [00045]:

[00045a] Figure 3A shows an accelerating nozzle surrounding each of the front and rear propellers.

[00045b] Figure 3B shows a decelerating nozzle surrounding each of the front and rear propellers.

[00045c] Figure 3C shows an embodiment that employs a hydraulic motor with hydraulic lines leading up to the watercraft and a source of hydraulic power (not illustrated).
